For tech-inclined teens who are looking for a hi-tech collegiate experience that will be fun and environmentally oriented and provide them with a head start on college tech courses. Use state of the art computer and GPS equipment, as well as satellite imagery and professional software to collect, analyze and map data about the changing earth. Campers will learn to use professional software and equipment to build, test and run computer mapping models, collect GPS data in the field and analyze satellite images to detect changes on the surface of the earth.

Make\*Create\*Imagine Art Camp (Day Camp) July 26-August 6. Grades 1-7 One Week/\$130. Experience the beauty of the Maine coast environment through art. The Make-Create-Imagine Art Camps offer a variety of rich exploratory learning opportunities in the arts that stimulate a child's natural abilities and creativity. Students will explore and record their experiences and the world of their imaginations utilizing a variety of age appropriate media and techniques. The camp emphasizes individual creativity with a focus on the environment.

MESSY(Maine Environmental Summer Session for Youth) Overnight Camp. August 1-7 Grades 7-9 One Week/\$500. MESSY promotes awareness, builds knowledge and stimulates active and creative approaches to environmental stewardship and sustainability. Campers will have the opportunity to work alongside University faculty, actively participating in important work in the field and in the classroom. Students spend morning sessions on campus; afternoon sessions include field trips to local beaches, wetlands, lakes and streams.

Clipper Youth Basketball Camp (Day Camp) Girls: July 26-30. Boys: August 2-6. Grades 1-12. One week/\$150. Separate sessions for boys and girls teach teamwork, hoop skills and much more! The Clipper Basketball Camps are a great way to develop fundamental skills and learn how to compete as a member of a group. Team concepts are emphasized, helping young athletes thrive on and off the court. Coaches and members of the UMM Clippers men's and women's basketball teams will serve as camp staff. Each camper will receive a basketball and t-shirt.

MYSTI (Maine Youth Summer Theatre Institute) Overnight Camp. July 25-August 8. Grades 7-12. Two Weeks/\$1,150. Develop the art and craft of acting through the works of Shakespeare. Classes are intimate and collaborative and provide a firm foundation in stage basics, emphasizing improvisation, theater games and acting exercises. Groups are organized for students to develop at their own pace and learn from others. The first week focuses on various aspects of the acting process; the second week is dedicated to creating and presenting a theatrical experience based on a Shakespeare text.

Maine Theatre Camp for Kids (Day Camp) July 26-30, Aug. 2-6 Grades 3-6 Two Weeks/\$250. Myth, magic, fairy tales and folklore galore will abound in this two-week summer drama day camp for kids. Through improvisation and exercises for developing acting skills students will learn what is involved in producing a live performance. Theatre camp will be 5 hours a day and will culminate in a matinee performance in which each child has a part.
