Sephone Internet Solutions Donates Web

The website is up, running smoothly and an excellent resource for United Way of Eastern Maine and its supporters. United Way of Eastern Maine is thrilled to announce a donation of complete redesign, support and hosting of our website, by Sephone Internet Solutions. We hope you'll find it easy to navigate and full of information about United Way's present work. The website is live and can be visited today! [Visit the new www.unitedwayem.org.](http://www.unitedwayem.org)

United Way is Pleased to Announce New Resource Development Staff

KATE BEALE

United Way of Eastern Maine recently promoted Kate Beale to Vice President of Resource Development. Previously Beale served as Director of United Way's Annual Campaign. Beale will have the primary responsibility of developing United Way's fundraising potential by supervising annual campaign, managing donor relations, leadership giving, endowments, and planned giving.

"Kate has been a key part of our team and we are thrilled to promote her to this important position," said John Kuropchak, President of United Way of Eastern Maine.

MARY K. PERKINS

United Way of Eastern Maine is pleased to have Mary K. Perkins join us as Campaign Director. Perkins will have the primary responsibility of developing United Way's fundraising potential by managing annual campaign through workplace relations and annual events.

"We are excited to welcome Mary to the United Way team," said John Kuropchak, President of United Way of Eastern Maine. "Mary brings enthusiasm and a strong development background."

Campaign Continues!

Just because the campaign finale has come and gone doesn't mean it's too late to help. Today we are expecting to reach about 95% of our goal, and with the many Maine families that depend upon United Way supported programs and initiatives, the need has never been greater. So please consider a gift today to help us bridge the gap and help our neighbors in need.
