Thank you for investing in United Way.
Robert was only three years old when his dad died, making it very hard for him and his family. They struggled with food insecurity. Thanks to generous donors like you, Robert’s mom Cathy was able to put good, healthy meals on the table.

The Magic Food Bus was the program that delivered the food, but this program wouldn’t be possible without United Way donors like you. Unlike traditional food cupboards or pantries which can be a challenge to access due to transportation, the Magic Food Bus meets people where they are.

It’s just one of the many ways that TOGETHER, UNITED we impact the lives of thousands of people just like Robert every day.
